## *General Section*

1 001
*Science and knowledge in general.*

1 001.102
*Information. Scientific information.*

2 001.8
*Methodology and technical procedures in study. Organization of science and scientific work in general. Innovations.*

2 002
*Books. Documentation.*

2 003
*Writing systems and scripts. Signs and symbols.*

3 004
*Computer science and technology.*

4 004.05
*System and software quality. Safety.*

4 004.4
*Software. Computer systems. Computer programs and programming languages in general.*

4–5 004.4A/Z
*Particular programming languages, programs and computer systems.*

6 004.7/.9
*Computer communication. Computer networks. Internet. Artificial intelligence. Computer graphics. Processing of sounds and images. Virtual reality.*

6 005
*Management.*

6–8 005
*Management. Management theory. Strategies, objectives, methods, management functions.*

8–9 005.31/.34
*Operational research. Theory of decision making. Management psychology. Risk management. Innovative management.*

9–10 005.5
*Management operations. Techniques and methods of directing. Lobbying. Mediation. Solving conflicts. Negotiations. Negotiating tactics. Planning. Logistics. Analysis. Forecasting.*

10 005.6
*Quality. Quality managements. TQM.*

10 005.94/.96
*Knowledge management. Consulting. Personnel and human resources management.*

10 006
*Standardization.*

10 007
*Cybernetics.*

11–12 008
*Civilization. Culture. Progress.*

12 01
*Bibliography. Catalogues.*

12 01
*Bibliography – theory, history.*

18 012A/Z
*Individual bibliographies (subjective and objective).*

18 013
*Bibliographies of works of a particular groups of authors.*

18 014
*Bibliographies of contents of periodicals and collective works.*

18–19 015(4/9)
*Regional bibliographies (subjective and objective).*

19 016:0
*Bibliographies of fields and issues.*

19 016:01
*Bibliographies of bibliographies.*

19 016:1/2
*Bibliographies of philosophy, psychology, religion and theology.*

19–20 016:3
*Bibliographies of social sciences.*

20 016:5/6
*Bibliographies of mathematics, natural and applied sciences, medicine, technology and agriculture.*

20 016:7
*Bibliographies of art, entertainment and sport.*

20–21 016:8
*Bibliographies of linguistics and literature.*

21 016:9
*Bibliographies of archeology, geography and history.*

22 017
*Catalogues of libraries. Commercial, trade catalogues of booksellers and publishers.*

12 02
*Librarianship. Library science.*

12–13 025
*Organization of a library. Technique and methods of work in libraries.*

13 026/027
*Libraries.*

13 050+070
*Press studies. Periodical press. Journalism.*

14 06
*Awards. Organizations. Associations. Museums.*

14 06.05
*Awards. Prizes.*

14 061
*Organizations. Associations. Foundations. Secret or semi-secret organizations and movements.*

14 061UE
*European Union.*

14 069
*Museology. Museum studies. Museums.*

14 09
*Manuscripts. Rare and remarkable works. Precious works.*

15 0(05)
*General periodicals. Science. Books. Information technology. Management. Cybernetics. Civilisation. Librarianship. Press studies. Organization. Museology. Manuscripts – serial publications, periodicals.*

16–18 0/9(03)
*Encyclopaedias. Lexicons. General reference works.*

23–24 *Prace Unuwersytetu Śląskiego.*
